

Candy

[Intro]

Am Em

[Verse]

Am

I was perched outside in the pouring rain

Em

Trying to make myself a sail

G

Then I'll float to you my darlin'

D7

With the evening on my tail

Am

Although not the most honest means of travel

Em

It gets me there nonetheless

G

I'm a heartless man at worst, babe

D7

And a helpless one at best

[Chorus]

Am

Darling I'll bathe your skin

Em

I'll even wash your clothes

G

D7

Just give me some candy, before I go

Am

Oh, darling I'll kiss your eyes

Em

And lay you down on your rug

G

Just give me some candy

D7

After my hug

[Verse]

Am

Oh I'm often found explaining

Em

But to her it plays out all the same
G
and although I'm left defeated
D7
It get's held against my name
Am
I know you got plenty to offer baby
Em
But I guess I've taken quite enough
G
Well I'm some stain there on your bedsheet
D7
You're my diamond in the rough

[Chorus]

Am
Darling I'll bathe your skin
Em
I'll even wash your clothes
G D7
Just give me some candy, before I go
Am
Oh, darling I'll kiss your eyes
Em
And lay you down on your rug
G
Just give me some candy
D7
After my hug

[Instrumental]

Am Em G D7
Am Em

[Chorus]

G D7
I know that there're writings on the wall
Am
But Darling I'll bathe your skin
Em
I'll even wash your clothes
G
Just give me some candy
D7
Before I go

[Outro]

C
All the cutthroats and their jagged ends
G
All of them have got me waiting and waiting
C
All the cheap and their sugary philosophies
Em
Have got me on the fence just waiting and waiting
C
All the angels and their halos
G
All of them have got me waiting and waiting
C
All the cutthroats and their jagged ends
Em
All of them have got me waiting and waiting
C
All the cheap and their sugary philosophies
G
Have got me on the fence just waiting and waiting
C
All the angels and their halos
Em
All of them have got me waiting and waiting
