

Through the glass

C
I'm looking at you through the glass

[Chorus]

D
Don't know how much time has passed

Em
Oh God, it feels like forever

C
But no one ever tells you that forever feels like home

D Em
Sitting all alone inside your head

C
'Cause I'm looking at you through the glass

D
Don't know how much time has passed

Em
All I know is that it feels like forever

C D
Em
When no one ever tells you that forever feels like home
Sitting all alone inside your head

[Verse 1]

C D
How do you feel? That is the question

Em
But I forget, you don't expect an easy answer

C D
When something like a soul becomes initialized

Em
And folded up like paper dolls and little notes
You can't expect a bit of hope

C
And while you're outside looking in

D
Describing what you see

Em
Remember what you're staring at is me

C
Cause I'm looking at you through the glass

[Chorus]

D Em
Don't know how much time has passed
All I know is that it feels like forever

Em C D
When no one ever tells you that forever feels like home
Sitting all alone inside your head

[Verse 2]

C D
How much is real? So much to question
Em
An epidemic of the mannequins Contaminating everything
C
When thought came from the heart
D Em
It never did right from the start Just listen to the noises
No more sad voices
C D
Before you tell yourself It's just a different scene
Em
Remember it's just different from what you've seen

[Chorus]

C D
I'm looking at you through the glass Don't know how much time has passed
Em
All I know is that it feels like forever
C D
Em
When no one ever tells you that forever feels like home
