

Be like that

[1st verse]

G D
He spends his nights in California,
Em C
Watching the stars on the big screen
G D
Then he lies awake and he wonders,
Em C
Why can't that be me?
G
Cause in his life he's filled
D
With all these good intentions
Em
He's left a lot of things
C G
He'd rather not mention right now
D
But just before he says goodnight,
Em C
He looks up with a little smile at me,

And he says...

[chorus]

G D
If I could be like that,

I would give anything
Em C
Just to live one day, in those shoes
G D
If I could be like that,
Em
What would I do,
C
What would I do?

[2nd verse]

G D
She spends her days up in the north park,
Em C
Watching the people as they pass
G
And all she wants is just
D
A little piece of this dream,
Em C

Is that too much to ask?

 G D
With a safe home, and a warm bed,
Em C

On a quiet little street

G D
All she wants is just that something to

 Em C
Hold onto, that's all she needs

Yeah!

[chorus] x3

G D
If I could be like that,

I would give anything

Em C
Just to live one day, in those shoes

G D
If I could be like that,

 Em
What would I do,

 C
What would I do?
