[Verse 1]

```

      G          D/F#          C          Am7
It's not time to make a change, just relax and take it easy

      G          Em          Am          Am7          D
You're still young, that's your fault, there's so much you have to know

      G          D/F#          C          Am7
Find a girl, settle down, if you want to, you can marry

      G          Em          Am  Am Am7 D
Look at me, I am old, but I'm happy

      G          D          C          Am7
I was once like you are now, and I know that it's not easy

      G          Em          Am Am Am7 D
To be calm when you've found something going on

      G          D          C          Am7
But take your time, think a lot, why think of everything you've got

      G          Em          D          G  C/G
For you will still be here tomorrow, but your dreams may not

[Verse 2]

```

      G          Bm          C          Am7
How can I try to explain? 'cause when I do he turns away again

      G          Em          Am7  D
It's always been the same, same old story

      G          Bm          C          Am7
From the moment I could talk I was ordered to listen

      G          Em          D          G
Now there's a way, and I know that I have to go away

      D          C          G  C/G
I know I have to go
