Someone you loved

Tonalidad	Afinación	Compás	Capo
	Estándar	4/4	No

```
[Intro]
G D Em C
[Verse 1]
 I'm going under and this time I fear there's no one to save me
 This all or nothing really got a way of driving me crazy
I need somebody to heal, somebody to know, somebody to have, somebody to hold
It's easy to say, but it's never the same
               Em
I guess I kinda liked the way you numbed all the pain
[Chorus]
                G
Now the day bleeds into nightfall
And you're not here to get me through it all
I let my guard down, and then you pulled the rug
I was getting kinda used to being someone you loved
[Verse 2]
  I'm going under and this time I fear there's no one to turn to
 This all or nothing way of lovin' got me sleepin' without you
Now, I need somebody to know, somebody to heal, somebody to have, just to know how
it feels
It's easy to say, but it's never the same
                Em
I guess I kinda liked the way you helped me escape
[Chorus]
Now the day bleeds into nightfall
And you're not here to get me through it all

```
I let my guard down, and then you pulled the rug
                   Em
I was getting kinda used to being someone you loved
[Bridge]
                 Em
And I tend to close my eyes when it hurts sometimes
I fall into your arms
         Em7
I'll be safe in your sound 'til I come back around
[Chorus]
N.C.
For now the day bleeds into nightfall
                 Em
And you're not here to get me through it all
I let my guard down, and then you pulled the rug
I was getting kinda used to being someone you loved
But now the day bleeds into nightfall
                 Em
And you're not here to get me through it all
I let my guard down, and then you pulled the rug
                   Em
I was getting kinda used to being someone you loved
[Outro]
I let my guard down, and then you pulled the rug
                   Em
I was getting kinda used to being someone you loved
