[Verse 1]

Am
A hundred days have made me older
G **Am F G**
Since the last time that I saw your pretty face
Am
A thousand lies have made me colder
G **Am F G**
And I don't think I can look at this the same
Am **G**
But all the miles that separate
Am **F** **G**
They dissappear now, when I'm dreaming of your face

[Chorus]

C **G**
I'm here without you, baby
Am
But you're still on my lonely mind
F **G** **C**
I think about you, baby, and I dream about you all the time

I'm here without you, baby **G**
 But you're still with me in my dreams **Am**
 And tonight, there's only you and me, yeah **F G Am G Am F G**

[Verse 2]

The miles just keep rollin' **Am**
 As the people leave their way to say hello **G Am F G**
 I've heard this life is overrated **Am**
 But I hope that it gets better as we go, ohh yeah yeah **G Am F G**

[Chorus]

I'm here without you, baby **C G**
 But you're still on my lonely mind **Am**
 I think about you, baby, and I dream about you all the time **F G C**
 I'm here without you, baby **G**
 But you're still with me in my dreams **Am**
 And tonight girl, there's only you and me **F G Am**

[Bridge]

Everything I know, and anywhere I go **Am C**
 It gets hard but it won't take away my love **G F**
 And when the last one falls, and when it's all said and done **Am C**
 It gets hard, but it won't take away my love, whoa **G F F**

[Interlude]
