[Intro]

**C Am Em C**

**Am Em**

[Verse 1]

**C**

There's a place I go to

**Am**

Where no one knows me

**Em**

It's not lonely

**C**

It's a necessary thing

It's a place I made up

**Am**

Find out what I'm made of

**Em**

The nights are stayed up

**C**

Counting stars and fighting sleep

[Pre- Chorus]

**Dm**

Let it wash over me

**Em**

Ready to lose my feet

**F**

Take me off to the place where one reviews life's mystery

**C**

**Dm**

Steady on down the line

**Em**

Lose every sense of time

**F**

Take it all in and wake up that small part of me  
Day to day I'm blind to see  
And find how far  
To go

[Chorus]

**C** **Am**  
Everybody got their reason  
Everybody got their way  
**Em** **F**  
We're just catching and releasing  
**C**  
What builds up throughout the day  
**Am**  
It gets into your body  
**Em**  
And it flows right through your blood  
**F**  
We can tell each other secrets  
**C**  
And remember how to love  
**Am** **Em**  
Daradamdaramdamdam daramdamdam daramdam  
**C** **Am** **Em**  
Daradamdaramdamdam daramdamdam daramdam

[Verse 2]

**C**  
There's a place I'm going  
**Am**  
No one knows me  
**Em**  
If I breathe real slowly  
Let it out and let it in  
**C**  
They can be terrifying  
**Am**  
To be slowly dying  
**Em**  
Also clarifying  
The end where we begin

[Pre- Chorus]
